The parents of the new entrants as well as old students are free to interact with the Principal and the Administration on their normal visit to the College and Hostel. This has been appreciated by the parents and has created a bond between the parents and the institution. Parents teacher meeting has been organised by the IQAC on 25.08.2018 where parents of 77 students were present..
- iv. For feedback of the non-teaching staff, the Principal meets the Administrative staff formally and informally and holds talks to resolve administrative issues if any.
